Subject: FW: Final Wetlands, Clean Water Act letter to President Obama

Mr Weiss, Ms. Ericsson, Jim --

Attached please find our sportsmen group letter sent to the White House today urging swift action to finalize the Clean Water Act guidance that has been languishing at OMB since last February. As you know, Mr. Lew committed to us last March that the guidance would be issued "soon." (see December letter attached).

Leaders from the following organizations signed today's letter:

American Fisheries Society

American Fly Fishing Trade Association

American Sportfishing Association

BASS LLC

Berkley Conservation Institute

Bull Moose Sportsmen's Alliance

Izaak Walton League of America

National Wildlife Federation

The Nature Conservancy

The Wildlife Society

Theodore Roosevelt Conservation Partnership

Trout Unlimited

Wildlife Management Institute

We will be meeting with the White House on this issue again next week. We look forward to working with the White House in the coming months to restore Clean Water Act protections for the nation's waters.

Thank you,

Jan Goldman-Carter
